### AGRICULTURAL LECTURES AT COLLEGE OF HAWAII

The first of the series of lectures to be given at the College of Hawaii on agricultural subjects will be presented tonight at half past seven. The two lectures given this evening will be of a general nature. The first, by Dr. E. V. Wilcox of the experiment station, will be on the agricultural problems of Hawaii. This will be a discussion of agricultural problems and how to solve them.

The second lecture will be by President J. W. Gilmore and will be a presentation of the economic phases of agricultural education. These lectures are free and all interested in the subject are cordially invited. Those interested in other lectures in the series should send to the college for a full list of lectures and dates.

### UNVEILING CEREMONIES.

Tomorrow morning Judge Robinson will unveil a picture of President Taft at his home, with his family for spectators. The picture will have a flag over it which will be lifted at the time corresponding to the hour of the inauguration. It is not known whether the Judge will deliver an address or whether there will be music on the phonograph, but it may be taken for granted that the proceedings will be appropriate. What opportunity will be given the President for recognizing the Judge's patriotic act is not yet known to the public.

### ANNO IN AND OUT.

About a week ago the Supreme Court gave a decision in favor of the Territory in the case of the Territory vs. K. Anno, charged with selling liquor without a license. The court sustained the sentence of the lower court and ordered the defendant to pay \$100 and costs within a week. Up to yesterday afternoon he had failed to pay and a mittimus was issued and the defendant brought to the station. In an hour the money was deposited and Mr. Anno was released. The liquor was sold in the Cincinnati Cafe, near the Fishmarket.

### THE ELASTIC DECORATED DINNER SERVICE.

No: It is not made of rubber, made of clay. But it admits of extension, and is, therefore, figuratively speaking, elastic. You can buy a few articles today and add a few more to the collection tomorrow—or a month from now. First thing you know you have a service for a large gathering, same decoration. Is not that elasticity? We control for this vicinity the choicest elastic patterns made. All prices. Take a look at them.

Jack Johnson, the heavyweight champion, and his wife left yesterday on the Canadian steamer. With them on the boat they had a wee little lad, about three years old, who had more of an Australian look than of an African. It was rumored on the steamer that Johnson had adopted the little fellow while he was in the Colonies.

### ISLAND BOY "IN THE SWIM."

Stanley H. H. Ashford, one of Hawaii's representatives in the Naval Academy at Annapolis, was numbered among the crack swimmers of the academy, at its recent annual gymnastic tournament, where he participated in two events, and successfully in each. He was in the winning relay race team, and scored second place in the 40-yard "novelty race" (swimming on the back). He writes of his Eastern competitors:

"These Eastern chaps, who have done all their swimming in tanks, make marvelous speed with their crawl stroke, but they would probably drown in our Island surf."

### Relief From Headache Is Yours If You Want It

You have only to get a box of Stearns' Headache Wafers at your chemist's and take one of the little tasteless wafers.

This is the most popular headache cure in the world and has been sold for almost twenty years; the only reason that so many people buy it over and over is that it does what it should—cures headache promptly, safely, pleasantly. No one needs to suffer from headache when

### Stearns' Headache Wafers

are at hand. It is well to keep a box in the house all the time, for headaches always come without warning. This will drive them away as quickly as they come.

Stearns' Headache Wafers are so much better than others that it will pay to insist on having STEARNS' and no other.
